

Kind Words From Our Brides

Hello,

I just wanted to write and say many thanks to Angie who was extremely helpful in assisting me when when I was in your store on two recent occasions trying on wedding gowns.

On Saturday afternoon I purchased a wedding gown from another store (it was a close decision as I really liked the Audrey Hepburn style gown Angie suggested), but I really appreciated the great service and suggestions Angie provided and wanted to acknowledge this. It definitely made my experience in your shop very enjoyable.

Kind regards,
Sarah

Hi

I just wanted to send through a big thank you to Janice for helping me to select my wedding dress last year.

Janice you were absolutely wonderful and really calming.
I'm so glad we found you. And that you helped me find the most perfect dress in the whole world.
I have had so many people compliment me on the dress.

I have attached a few photos from the day, however our wedding has been featured in a couple of publications so I have included those links for you as well.

Hi All,

Just a quick note to thank everyone at Farina (especially Dele) for the wonderful experience of buying my wedding dress. I came in to look at Pronovias dresses and walked out with something much better! Romance by Madeline Gardner New York.

Everyone at Farina was so accommodating and couldn't do enough to help me, especially when my dress needed alterations 2 days before my wedding!

I have highly recommended Farina to anyone who will listen to me, and 2 of my friends are actually in the process of purchasing their dresses through Farina. One of those friends was deciding between 2 dresses one from Farina and one from another bridal store. She went with Farina because of Dele's lovely nature and the service I received.

I have also attached a couple of pictures so you can see my fabulous dress!

Thanks once again.

Regards,

Dayle.

I have attached a few photos for you to have a look at, please feel free to show them to any bride interested in the same dress.

Thanks again for everything.

** Dear Vicky and Fashions by Farina

I would like to thank you so much for the help you gave to me from the moment I walked in the door with my twin at Fashions by Farina. Right up until the week of the wedding, the assistance, advice and personal attention given at each appointment, was nothing but professional. If it wasn't for your suggestion in trying on the Pronovias gown, I never would have found my dream dress!

A lot of people on the day asked who made my dress, they thought it was custom made for me and my shape. I mentioned Fashions by Farina to as many people as I could. Since purchasing the dress, I have noticed it has appeared in 2 issues of 9 to 5 and I also found a bridal magazine titled 'Gowns', where there is a spread of Fashions by Farina.

The dress surpassed all expectations when everything came together. The colours brought the bridesmaids dresses, with my white gown added the 'fairytale' look to the day. The dress looked amazing thanks to your care, professionalism and experience.

Once again, thank you. I will be recommending you to whom ever I can.

Kindest regards

Allison

Thank you all so much for helping me choose and refine the perfect dress, from the first appointment to the final fitting, you were all very professional, helpful and efficient. I can't thank you enough. My dress was perfect! Everyone loved it, including yours truly and my husband Joe vows it's the most beautiful dress he's ever seen (naturally!). Never the less I have received numerous compliments and we caused quite a stir walking through the streets of Florence.

Dear Vicky & Nicky,

I am sorry this is a little late but I truly wanted to say a **BIG!!! THANK YOU** for all your kindness and fantastic service regarding my wedding dress. I loved it and felt fabulous in it. It was always a pleasure coming in for a fitting. Even when I panicked a little when I got it home you both put me at ease and remained patient and calm with me.

I have attached some pictures for you so you can see your fine work on the day. I just felt so classic and graceful in the dress, it was so comfortable to wear and I felt sad to take it off at the end of the night.

So thank you so very much once again for helping me find the right dress and fitting it beautifully.

I have had the dress dry cleaned and will keep it to hopefully show my own daughter some day.

Best wishes for the New Year to you both and your families!

Cheers

Kathy

Hi Vicki,

I thought you might like to see how Jade looked on her wedding day. We had lots of comments on the dress and of course we let people know where we got it.

There is also a photo of them in the Brisbane News and will also appear in a national magazine soon.

Hello Ladies,

I just wanted to write and say thank you so much. I am not from Sydney, i am from Maitland and having not really any idea of what i wanted or what to do for a wedding. Your store was a wonderful help.

For starters we did not know that you had to make appointments at every store, even though we made one at yours, although we walked into another bridal store in the building and were made to feel terrible. It was not a great start to our wedding dress shopping experience however when we walked into your store we were made to feel welcome and I can not express how grateful i am that Janice was such a wonderful help.

We selected a dress and ordered it. I am so happy to have this dress as i feel it is beautiful and i just wanted to say thank you so much for making a day that started of dismal, turn into a such a fantastic day

Thank You
Catherine.
